J.N.F. Purim Gift Stamps

These stamps, issued on the occasion of Purim, the Festival of Jewish Deliverance, symbolize the expanded program of the Jewish National Fund as designated by the recent Act of the Knesset, recognizing the J.N.F. as the sole authorized agency for land reclamation, soil improvement and reafforestation on the whole territory of the Jewish Homeland.

Your Purim gift will render it possible for the J.N.F. to cope with its new task, making the desert bloom.

The American Israel Freedom Forest near Jerusalem, with its two million trees, is the most recent and largest project undertaken by the Jewish National Fund in the execution of its expanded program, which we ask you to support. We are mailing you a Freedom Forest Stamp Sheet, the total value of which is \$5.00. Your Purim Gift—contributed by yourself or raised by means of these stamps among your friends—should be sent to:
