Now that calendar year 2021, and another year of COVID-19 is behind us, our Society is looking forward to some in-person meetings.

The first get together will be at CAPEX 22, in Toronto, Canada. We will meet at 10:00 A.M. on Sunday, June 12, 2022. Our speaker will be Ed Kroft QC FRPSC. The topic will be "Politics and Postal Circulars; Lester Pearson's Role in the 1948 Evolution of Postal Relations Between Canada and the State of Israel." Ed will be discussing how Canadian foreign policy and politics shaped and significantly influenced the development of postal relations between the two countries.

Our Society will meet again at NOJEX 2022, October 14-16, 2022, at the Hilton Meadowlands, East Rutherford, N.J. We will have our Annual Society meeting at NOJEX. Further, we will have lectures, a society table, Holyland exhibits and dealers, as well as much comradery.

Please plan to attend NOJEX, and to exhibit. We want a good representation of Holyland material.

The Society needs your help, by your continuing to support the SIP Educational Fund. The Ed Fund helps all of us with the publication of books, slide and Zoom presentations, and more.

## SIP SCANNING 101

Please refer to the article published in the WINTER 2022 edition of the SIP Journal when submitting images for PRINT publication. **Low resolution images continue to be a time consuming, problematic issue.**

**IMAGES COPIED FROM THE INTERNET DO NOT PRINT WELL — and are automatically flagged by the people that print the SIP Journal. Our job is held up in production until these issues are resolved.**

**If you are not sure about the scanning/image making process, contact the editor for some options.**

*The SIP Journal is always looking for articles that connect our hobby with current events.*

Given our people's long history in Ukraine, our editor is looking to profile Jewish Ukraine with relevant philatelic material.

Our editor is also seeking Judaica themed articles covering the Covid 19 crisis.

This timely material will serve to enhance our terrific publication. Please touch base with [sipeditor@gmail.com](mailto:sipeditor@gmail.com) if you feel you have something in your collection you wish to share.
